BARBELL BENCH PRESS

A compound press that builds chest thickness, triceps, and pressing power from a stable bench.

- Chest
- Arms

EQUIPMENT	Barbell, Bench
DIFFICULTY	Intermediate
SETS	4
REPS	6-8
DURATION	25 min
CALORIES	180 kcal
RATING	4.8

INSTRUCTIONS

1. Lie on the bench with eyes under the bar and feet planted.
2. Unrack with locked elbows and lower the bar to mid-chest.
3. Press up in a slight arc until elbows lock without bouncing.
4. Keep shoulder blades pinched and a natural arch in the back.
